My city
My world

Dunes and beaches

Ana , Caio Jalles, Maria Ferreira and Maria Costa - 9ºc students

- Vila Nova de Gaia has 15 km of clean beaches that now have blue flags, but it wasn't always like that....

➢ 1960

Lavadores beach and its evolution

➢ 2023

Elevated walkways that protect the dune vegetation

- Aguda beach

Dunes regenerators

- Vila Nova de Gaia has been investing in the clean-up of its water courses.

The otters have come back!!!

Lontra vista pela primeira vez em vários anos em Vila Nova de Gaia - CNN Portugal (iol.pt)

- Despite the measures we have been taking up, there are things which we alone can't prevent, like climate change and global warming.

- We are even placing big bags full of sand where there used to be dunes to hold the advance of the ocean
